A few extracts from letters received from
people who know (those in the trade).

"I must compliment you on the way
in which they were packed; your assistant
knows his business well."

"Your plants are very good, and I am
very satisfied."

"We have to thank you for the prompt
execution of our order, and to advise that
the plants arrived in excellent condition,
not a single pot being broken."

"Just received consignment of palms,
which arrived in excellent condition."

"We beg to acknowledge the receipt of
plants in good order, the packing being
excellent."
